Thank you for your patience as we have worked through the bits and pieces related to the GO FUND ME account for funds raised for relief to residents who have been displaced as a result of the flooding in Grand Forks and the immediate surrounding area over the past few days.

Kindly read on for details and please share:

- Details are there about eligibility criteria and a link to a simple application
- This funding is limited to \$500 per household and is for residents most impacted by the flooding
- Applications must be completed in full are now being accepted – the committee will meet early next week and review applications. Decisions will be made at this time and money will be distributed by cheque from Cannafest Corp. Link to the Cannafest page: <http://cannafest.ca/flood/>
- If individuals would like to continue to give, they can do so to this account for residents or the Credit Union account for small businesses affected.  
The details for that account are: Member Account **# 642711**.  
Account is named “Grand Forks & Boundary Flood 2018” - Donations are **non-tax deductible!**

Please share this information far and wide. We want to be sure that all residents most impacted are aware that applications for this short term funding are now being accepted.

As always, if you have questions, please ask.
